# Westfalen Medical

## For customs purposes only

The patient carrying this document is dependent on NHFT (Nasal High Flow Therapy) treatment for a chronic obstructive pulmonary disease. Respiratory equipment including accessories is only to be used by qualified medical staff and patients.

The NHFT machine has to be carried as handluggage when travelling by airplane to prevent damage to the machine. It does not contain oxygen or any other gas. It will not be affected by pressure differences. For customs purposes only.
